#### **Operational Planning**

# **Operational Plans – UKFS Compliance in Practice**

Nick Smith
Woodland Officer
NW & WM Area
Forest Services

**Andrew Pickup MICFor Forest Manager** 

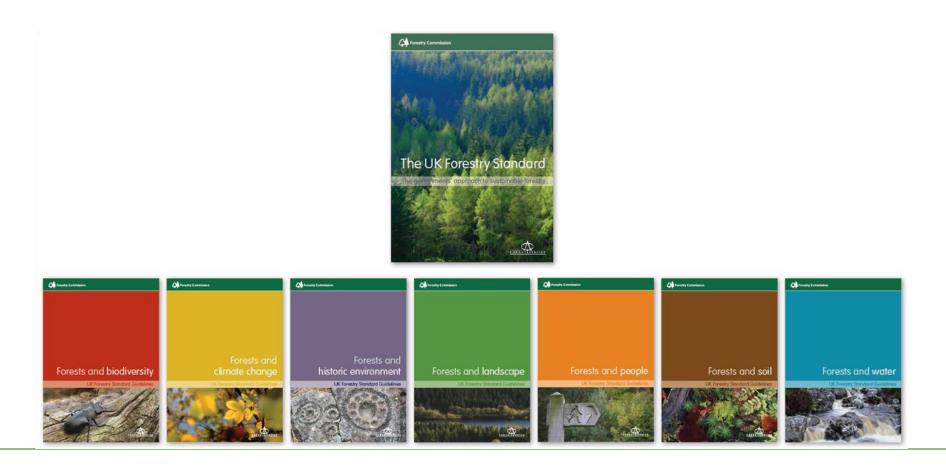

### FC approved woodland plan

## **UK Forestry Standard**

#### FC England roles;

- Review draft and approve woodland plans
- Grant associated felling permissions
- Inspect restocking following felling operations

NB: No engagement with operational activity

#### Forestry managers;

- Implement and manage forestry operations
- Deliver restorative actions e.g. restocking
- Ensure UKFS compliance across all operations

#### **Selecting appropriate contractor**

### **Site Risk Assessment**

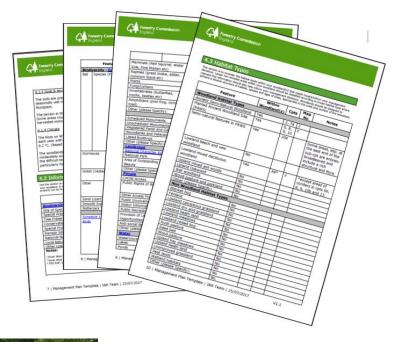

### **Site Risk Assessment**

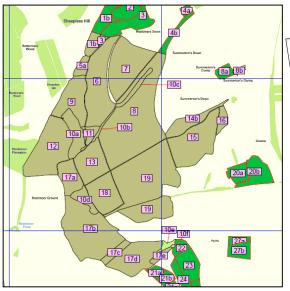

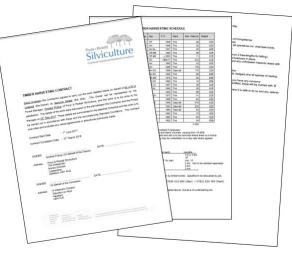

### Pre commencement meeting
