

Improving the management of the railway estate through education

Mark Carne (Chief Executive)

Dr Neil Strong (Head of Lineside)

Video Message from Network Rail's Chief Executive, Mark Carne

Habitat

Biodiversity

Trees

Transport infrastructure

First

Plan the transition from this...

... to this.

A personal view...

Or rather...

My life with trees

A close-up photograph of a cluster of white daisy flowers with yellow centers. The flowers are in sharp focus in the foreground, with others blurred in the background. The background is a dark, textured surface, possibly a railway track or ground.

Thank you
