Getting to Merton College

Oxford is less than sixty miles from London off the M40, with excellent transport links via train and coach. Heathrow, Gatwick, and Stansted are also served regularly by train and/or coach. Merton College is close to the city centre, approximately one block south of High Street, on Merton Street.

If possible use public transport as parking on-site at Merton College is only available for disabled delegates. Oxford Railway station is a 20 minute walk from the college and is served by several lines. There is also a [Bus Station](#) close to the town centre.

If you do need to come by car, you can either use one of the [park and ride](#) facilities or park in one of the [city centre car parks](#), space permitting. You can locate some of the parking facilities on the map on the previous page.
