

## Woodland Creation Officer

**£27K to £30.5K with potential progression to £33.7K. Permanent position**

Would you like to have a long term beneficial impact on the landscape and wildlife of the North York Moors National Park?

This is an exciting opportunity to be creative about establishing new woodlands through our flexible funding programme. This is a permanent post to deliver our ambitious long term woodland creation targets associated with the Woodsmith Mine's Section 106 agreement.

We are looking for someone who has experience of developing substantial woodland schemes with private landowners and building up long term programmes of work. You will need to have a practical understanding of land management and woodland creation as well as the drive and determination to achieve stretching targets.

To back this up, you will need to tell us about your;

- Success in establishing new woodland sites;
- Skills in working with landowners to enter long term agreements;
- Budget management and line management skills;
- Success in achieving challenging targets; and
- Positive experience of working in partnerships.

Based in Helmsley but with travel around the National Park. Professional membership of the Institute of Chartered Foresters or another relevant professional body is desirable.

If you are interested, we would love to hear from you. Further details, including how to apply, are available on the Job Opportunities page on our website <http://www.northyorkmoors.org.uk/about-us/job-vacancies>. Closing date Friday 14 May.
