

Scottish Woodlands Ltd is a leading forestry management company with a long tradition of serving forest owners and investors in Scotland and the rest of the UK. We provide a comprehensive range of forest, estate and land-related services underpinned by our in-depth market experience, knowledge base and commitment to quality. The business is largely employee owned, and this encourages a dedication and commitment to the highest standards of professionalism and customer focus. Our aim is to understand each client's specific objectives and then to provide a service which is both flexible and personal. We are currently seeking candidates for the following position:

GENERAL RECRUITMENT

Scottish Woodlands is a progressive and growing organisation, we are also looking to recruit keen and passionate individuals with less experience who are willing to learn and develop their skills as an integral part of a succession management plan.

We are therefore seeking applications from graduates and from those with less experience who hold Forestry qualifications and from other disciplines who wish to embark in a Forestry career.

Candidates with experience in the Utilities sector i.e., Vegetation clearance works, minor civil works and other forestry operations are also welcome to apply.

We are seeking candidates with ambition and drive to commence and progress their careers within Scottish Woodlands. Applicants should ideally have relevant academic qualifications and hold a current full valid driving licence.

Candidates will be matched to locations where their level of qualification and experience best meets the line management structure within our Forestry Regions and will be given appropriate training as part of a development tailored to suit their individual requirements.

Previous applicants are welcome to re-apply.

In return, Scottish Woodlands offers an attractive salary and benefits package commensurate with experience. This includes pension scheme, life assurance, private health care, company vehicle and the opportunity for equity participation. The company has a unique structure and is 80% owned by staff. Applicants will also be given excellent personal and career development opportunities and will be part of a highly professional and motivated team. For more information on working with Scottish Woodlands or for details of information gathered during our recruitment process, please see our Job Applicant Privacy Notice on the careers section of our Webpage.
