

**CLIMATE
SMART
FORESTRY**

A focus on the fundamentals 2021

30 September 2021

CONFERENCE OPENING

09:40 - 10:00

Sharon Durdant-Hollamby FICFor

President, Institute of Chartered Foresters

Dr Gary Kerr FICFor

Principal Silviculturist, Forest Research

SESSION 1

10:00 - 10:40

Adaptation needs and options for forest and forestry in Germany

Professor Jürgen Bauhus

Professor of Silviculture, Freiburg University

Q&A

SESSION 2

10:45 - 11:30

Progress with climate smart demonstration sites in the Netherlands

Professor Gert-Jan Nabuurs

Professor of European Forest Resources, Wageningen University and Research

Q&A

SESSION 3

11:30 - 12:15

What does the REINFORCE project teach us about managing existing and planting new forests in the UK?

Christophe Orazio

Director, European Institute of Cultivated Forests

Q&A

12:15 - 13:00

SESSION 4

13:00 - 13:45

Climate adaptation and carbon management in forestry in the US

Dr Chris Swanston

Acting Director for the Office of Sustainability and Climate, United States Forest Service

Q&A

SESSION 5

13:45 - 14:30

Adaptive silviculture for climate change in the US

Professor Linda Nagel

Professor of Silviculture and Department Head, Colorado State University

Q&A

#CLIMATESMART2021

CLIMATE SMART FORESTRY

A focus on the fundamentals 2021

30 September 2021

SESSION 6

14:30 - 15:15

Tree roots - insights into out-of-sight aspects

Dr Kasten Dumroese

Senior Research Plant Physiologist and National Nursery Specialist, United States Forest Service

Q&A

BREAK

15:15 - 15:30

SESSION 7

15:30 - 16:15

Forest management strategies to deliver climate and bio economy policies

Professor Peter Freer-Smith

Department of Plant Sciences, University of California, Davis

Q&A

PANEL SESSION

16:15 - 16:45

Chaired by:

Dr Gary Kerr FICFor

Principal Silviculturist, Forest Research

CONFERENCE CLOSE

16:45 - 17:00

Geraint Richards MVO FICFor

Vice President, Institute of Chartered Foresters

Dr Gary Kerr FICFor

Principal Silviculturist, Forest Research

Hosted by

Institute of
Chartered Foresters
