

Beat Forester - Norfolk

Are you interested in an exciting opportunity to join the Forestry England team in East England?

Closing date: 31st October 2021

Salary: £31973 - £34650

Contract Type: Permanent

Working Pattern: Full time

Location: Santon Downham, IP27 0TJ

Purpose of the job

As Beat Forester, you will oversee a small team responsible for managing the nations forests in North Norfolk.

Person specification

You will need personal resilience, and a deep commitment to achieving results with a small beat team.

Your skills, interests and experience will reflect the responsibilities of the role in delivering forest operations and a wide range of land management programmes and projects.

You will be interested in developing your existing technical skills and experience further and be willing to take on new and different tasks.

Essential Professional and Technical experience:

- A degree or HND in Forestry or significant equivalent experience in forestry or land management.
- Experience of planning, managing and supervising Forestry Operations and a good understanding of health and safety in forestry.
- Experience of leading a team and providing support to staff.
- A sound understanding of and experience in contract management.
- Competence in the use of MS Office applications.

Desirable Professional & Technical experience:

- Competence and experience in the use of Forester GIS
- Membership of the Institute of Chartered Foresters or working towards membership.
