

GOLDCREST Land & Forestry – Job opportunity

ABOUT US

Goldcrest Land & Forestry Group is an exciting business that brings over seventy years of professional experience in the forestry and rural sector into an agile, independent partnership.

We are a dynamic team who specialise in:

- Property sales (primarily forestry, farms and estates)
- Property acquisition & investment
- Valuations & Appraisals
- Asset management

Our office is based in the centre of Edinburgh but due to the nature of the job, we have a flexible working policy with both home and office working. We are instructed on properties throughout the UK so candidates must be willing to travel on a regular basis.

THE ROLE

This is a varied role that will primarily focus on valuations & appraisals, forestry investment analysis and cashflows, as well as asset management. However, the candidate will also be involved in a range of agency work.

THE CANDIDATE

We seek a candidate who can work well within our small team. They should be active and entrepreneurial with a keen interest in forestry investment. Professional membership of the Institute of Chartered Foresters or Institute of Chartered Surveyors is desirable. Strong numeric skills and efficient use of excel is essential.

If you would like to apply, please contact Jon Lambert on mobile or via email for more information.
