

Forest Manager/ Senior Forest Manager

Tilhill

Based: Wales and Marches

Tilhill has, over the last 70+ years, planted more than 1 billion trees and, as a private forestry company, has the greatest number of professionally qualified managers. We specialise in woodland creation and management, timber harvesting and buying, and landscaping. We strive at all times to provide an unrivalled service to our clients and customers. Tilhill is part of the BSW Group, which is the largest sawmilling and forestry business in the UK and a member of Binderholz.

With the growth of our business we have 3 new opportunities in the Wales and Marches forestry team in the role of **Forest Manager** or **Senior Forest Manager** depending on experience.

In this role you will be responsible for delivering a professional high-quality woodland management service to our existing clients together with other on-going forestry related opportunities, including woodland creation. The role includes building sound client relationships and, day to day, the preparation of client estimates, production of reports, implementation and control of work programmes and grant applications, initially in support of more senior forest managers.

About you

We're looking for candidates who are highly motivated, driven, enthusiastic, reliable and adaptable. In addition to this, you'll have:

- Relevant academic qualifications.
- Strong client relationship management and team working skills.
- Good knowledge of the UK Forestry Standard and UKWAS.
- Professional membership of the Institute of Chartered Foresters or another relevant professional body is desirable.
- Full UK driving licence.

In return, we offer an attractive salary and benefits package, the opportunity of being part of a talented and well-motivated team, together with first class opportunities for both personal and career development in a truly national and integrated company.
