

Roxburghe Estates Forest Manager

About Us

Roxburghe Estates has been part of the Scottish Borders since 1358. We are committed to protecting and enhancing the natural, cultural, and economic environment of the region. We are a forward thinking innovative rural business comprising of Farming, Property, Forestry, Renewables, Sporting and Tourism enterprises.

The Role

An exciting opportunity for an experienced Forest Manager to join Roxburghe Estates. The Forest Manager will be responsible for managing Roxburghe Estates 1,500 hectare portfolio of woodland and run the Estates biomass and fencing materials business.

You will be required to plan forestry operations, market timber, prepare and manage budgets, make grant scheme applications and identify woodland creation opportunities.

The Candidate

The successful applicant will have a minimum of 5 years forestry management experience, experience of working with contractors and managing a small team.

Professional membership of the Institute of Chartered Foresters or another relevant professional body is desirable.

What you can expect

Salary offered commensurate with candidate's experience, work vehicle provided, accommodation can be provided if required.
