

Woodland Manager / Consultant

Oakbank Game & Conservation Ltd is looking to recruit an experienced woodland manager / consultant to its expanding consultancy team. Based in Norfolk or Suffolk, but with requirement for a regular attendance to our offices in Ellington in Cambridgeshire, the successful candidate will join a dynamic team of consultants delivering all aspects of high-quality woodland and tree asset management across East Anglia and the East Midlands.

Oakbank was established in 2005 and is now a very well-respected name in farmland conservation and woodland management, with a large client base of farms and sporting estates across the UK and into Europe. See website for more details: www.oakbankgc.co.uk

Oakbank also delivers tailored Mid and Higher Tier Countryside Stewardship Schemes across the UK, as well as supplying seed and advice to deliver successful game covers and conservation crops.

We are looking for someone with a real passion for the countryside, for woodland and for conservation as well as an understanding of the role that shooting plays within this. You must be a good communicator and self-motivated, with a practical knowledge of woodland and tree asset management.

Candidates should hold a silvicultural qualification and be members of the Institute of Chartered Foresters or working towards Chartered status. Arboricultural qualifications and management experience are also very desirable.

If this opportunity to work with a professional, client focused, progressive and friendly company in East Anglia excites you or you have any questions about the role, then please phone or send CV and covering letter to the Oakbank Woodland Division Manager;

Ross Guyton - ross@oakbankgc.co.uk.

Tel: 07741655785

We are offering an excellent package, to include vehicle, commensurate with experience.

Closing date for applications: 10th November 2023
